Series	Bodystyle	Drive	øøø Battery Capacity (Useable)	Fuel	Transmlssion	VED Band	CO2 Emissions (g/km) Ø	Basic Recommended Retail Price (RRP) £	Recommended Retail Price (Incl VAT) £	† Manufacturers Recommended On the Road Price £	* Monthly BIK at 20%	* Monthly BIK at 40%
Premium	5 door	RWD	88kWh Extended Range	Pure Electric	1 Speed Automatic	A	0	£49,416.67	£59,300.00	£59,390.00	£29.66	£59.33

Ø The CO2 emissions test figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) . These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.

For further information on CO2 and fuel performance please refer to our Fuel Consumption and CO2 section.

† Recommended 'On the road' (OTR) price includes first year road fund licence, DVLA first registration fee £55 and an estimated £25 for number plates.

* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 25/26 tax year. P11D value is the sum of Recommended price + VAT & Number plate charg

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (currently £425) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £195 for petrol / diesel car or £185 for an alternative fuel car).

øøø - The battery capacity figure specified is the usable capacity determined by Ford and used to calculate the stated Capri performance and battery durability.

FUEL CONSUMPTION

The fuel consumption and CO2 emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) . These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator . The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions (these are also WLTP test figures).

Engine (Installed)	Engine (Useable)	Fuel Type	Available On	Euro Emissions	Transmission	Drive	Maximum Power PS (KW)	Torque Nm	WLTP Overall Range In Miles (Combined)	WLTP Range Extra High In Miles (Motorway)	Combined Energy Consumption KWh/100miles	Fuel Economy (mpg)	Efficiency Rating	High Power Charging (KW)	10-80% Charge (mins)
98kWh Extended Range	88kWh Extended Range	Pure Electric	Premium	Zero Evaporated Emissions	1 Speed Automatic	RWD	276PS (203kW)	525	372	306	17.3	N/A	A+	150	36

Notes

ⒶFord test figures.

ⒶⒶ The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/115) as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

† Based on full charge. Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Actual charge times and charging speeds will vary according to the type of home or public charging station used, as well as other factors (including weather, ambient temperature, driving behaviour, driving profile, vehicle condition, age, and condition and temperature of the lithium-ion-battery). WLTP Overall Range reflects a combined driving cycle and WLTP Extra High reflects motorway driving – both tests are conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load.

ⒶⒶⒶ - The battery capacity figure specified is the usable capacity determined by Ford and used to deliver the stated Mustang Mach-E performance and battery durability.

ⒶⒶⒶⒶ - Calculated via peak performance of the electric motor(s) at peak battery power. Your results may vary.

†† Achieved using high power charging. Time dependent on charging conditions, battery temperature and size as well as ambient temperature at point of use.

††† Ford test data based on testing methodology using 1-ft rollout i.e. from a rolling start. Figures shown in brackets are based on Ford test data based on testing methodology from a stationary start.

PERFORMANCE

Engine (Usable)	Series	Drive	Transmission	Maximum Power PS (KW)	Maximum Torque Nm	0-62 mph (sec)	Max Speed (mph)
-----------------	--------	-------	--------------	-----------------------	-------------------	----------------	-----------------

¹ All three parts form the Thule®* Roof Base Carrier

³ Single alloy wheel. Excludes centre cap, tyre, wheel nuts, valve & fitment

² Alternative Roof Boxes are available

⁴ Item is non-Ford branded from an approved supplier

For any more information about any of the included Ford Accessories, or to view a full range of Ford Accessories visit www.ford-accessories.co.uk

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.

Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Fitment of accessories may have an impact on your vehicle's fuel consumption.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

FORD PROTECT

Every new Ford Mustang Mach-E is protected by a 3 year/60,000 mile Ford Warranty.

Complimentary 5 Year Ford Protect Service Plan - Retail & Demonstrator Registrations Only

A complimentary 5 Year Service plan includes 2 scheduled services, in line with the 2 year / unlimited mileage service intervals on the All-Electric Ford Mustang Mach-E, providing the reassurance and peace of mind of knowing that your vehicle will be serviced by Ford technicians using genuine Ford parts.

The plan provides the additional benefit of Ford Assistance for the duration of the plan - a roadside rescue, repair and recovery service that helps you seven days a week, 365 days a year. Wear and Tear not included and may incur additional charges see below.

Applies only to Retail and Demonstrator vehicles. Excludes Fleet and Motability. See below eligible Global Sales Type / Sales Category Codes. Plan activated at registration and remains with the vehicle for duration of the 5-year term. Contact your Ford Dealer for further information.

Global Sales Type	ABD	AAA	DAA	AAA	AFA	ABA	ABC	ABB	DAE	DCA	DCF
Sales Category Code	1A	1B	1M	1N	1F	4C	AC	DP	DV	CO	FD

Ford Protect Wear and Tear Plan

In addition to the Ford Protect Service Plan, you may choose to purchase a Ford Protect Wear And Tear Plan, which provides replacement or repair of the following parts:

- Brake Pads/shoes/discs; Shock absorbers; Wiper Blades (Front wiper blades max. once per year; rear wiper blades max. once every two years); Bulbs
- **Exclusions:** Tyres; Interior trims; glass, seat covers; pads; frames; springs; headrests, seat belts; sheet metals, water ingress, body seals and aerials. Bodywork and paint check and Air conditioning check.
- Must be purchased before vehicle is 90 days old (Terms & Conditions apply)

Ford Protect New Vehicle Extended Warranty

If you plan on keeping your vehicle for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 mile warranty to either 4 years/36,000 miles, 4 years/80,000 miles or 5 years/100,000 miles.

Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Protection against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts
- Ford Protect New Vehicle Extended Warranty plans can be purchased any time up until the vehicle's first date of registration

Ford Protect Service Plan

This price list outlines Ford's Recommended On The Road Prices and Recommended Retail Prices. Please contact your Ford Dealer for final sale prices. This price list is effective from 3rd June 2025, and supersedes all previous price lists. The recommended prices in the publication were true and accurate

Features:

- Scheduled Servicing; covers servicing in accordance with Ford Standard Service Schedules including associated parts and labour, for the number of services applicable to your plan.
- Replacement brake fluid (every other year)
- Extended Ford Assistance; roadside assistance in the UK and throughout Europe
- Up to 7 days vehicle hire if any warranty work cannot be completed within 24 hours
- The Ford Protect Service Plan can be purchased up to 12 months from date of registration or before the first service is due (whichever is the sooner)

Notes and Conditions

- The length and mileage of your plan applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- Base Warranty on High Voltage Battery and Components - 8 years / 100,000 miles
- Please contact your nearest Ford dealer for information on service intervals
- It is a condition of Ford Protect Service Plan and Ford Protect Service Plan Plus that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- In addition your Ford Service History Log must be kept up-to-date
- Subject to the terms and conditions of the Ford Protect Plans
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if you decide to sell your vehicle
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty, Service Plan, Wear and Tear Plan or Service Plan Plus and their associated Terms and Conditions or alternatively call Ford Protect on 03702 416726, Option 2, Option 2, or visit www.ford.co.uk

The delivery charge is included in the Basic Recommended Retail Price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). All CO₂ emissions figures in g/km are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.'

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

The chart above shows the Bands and the VED which will be levied (for vehicles registered from 1st April 2025 onwards).

If a car's list price is over £40,000 (including VAT and factory fitted options) at first registration, the customer will pay an additional VED charge (£425 from 1st April 2025) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £195 for petrol / diesel car or £185 for an alternative fuel car). Expensive Car Supplement applies to battery electric vehicles from 1st April 2025 onwards.

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates, tariffs, customs, Government incentives/grants or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Recommended On The Road Prices and Recommended Retail Prices. Please contact your Ford Dealer for final sale prices. This price list is effective from 3rd June 2025, and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional, e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
